BP RULES & REGULATIONS

*The purpose of Bruin Professionals (BP) is to assemble and engage a diverse group of UCLA Alumni who are well established in business. BP Members have an opportunity, through organized monthly chapter meetings, to develop relationships and expand their business activities by sharing referrals, resources, information, ideas and advice. BP develops Bruin synergy and establishes a venue through which Professional Alumni can actively associate with UCLA and build new business activity.
Bruin Professionals is: commerce, camaraderie, and community.*

MEETINGS: BP conducts numerous Chapter meetings each month. Please visit the BP website at www.bruinprofessionals.com for dates and meeting locations. Each meeting begins with one-half hour of open networking during which a continental breakfast is served. General Meeting format: Mission statement read, Chapter Leader's introduction and greeting to BP guests, announcement of BP events and a presentation, which may include a guest speaker. Then each attendee is given an opportunity for a short professional introduction (no sales pitches), followed by the BP Exchange (needs, deals and testimonials) and a networking technique exercise. Finally, business card lists are distributed with attendees randomly divided into groups of approximately three (3) to four (4) individuals. Each small group schedules a BP "Mini" meeting during the next month (usually for Breakfast or Lunch) to provide BP Members the opportunity to get better acquainted with each other, both professionally and personally.

ATTENDANCE: Attendance is critical for building effective BP Chapters. Repetitive meetings with your fellow BP Members will establish familiar and comfortable relationships, which are the foundation of successful networking. Attending the small BP focus sessions is a significant part of the process to develop key network contacts. Always notify other BP Members if you are unable to attend a scheduled meeting.

BECOMING A BP MEMBER: To qualify to become a BP Member, candidates must be seasoned professionals who are well established in a business, which may be reflected by a minimum of five (5) years of experience in your profession. The candidate must maintain an active UCLA Alumni Association Membership and demonstrate a strong affiliation with UCLA, which may be reflected by having obtained a degree from the University, attended UCLA for a minimum of two (2) years full time, completed a professional certification through UCLA Extension or other University entities that are consistent with BP's mission, served as a faculty or staff member at the University, and/or being actively engaged with the University and its mission. **The BP Membership Committee reviews all applications, and may decline membership to any applicant, who, in the Committee's discretion, may not benefit from participation in BP and may not benefit BP by being a member.** Further, BP Members must complete their personal BP Professional Profile and post a compliant professional portrait on the BP website.

Bruin Professionals offers an associate membership at a reduced rate for Young Alumni.
